As you know, Teikyo Festival is an annual event we organise to introduce and promote Japanese culture exchange

Throughout the festival, you can fully immerse yourself in a variety of popular traditional Japanese activities, which include tea ceremony, origami, calligraphy, chopsticks challenge and so on. We also host Japan Aikido and Kobudo demonstration for martial arts enthusiasts.

Beyond exploring Japan's unique cultural heritage, the Festival is the opportunity to meet and connect with people who share the same passion.

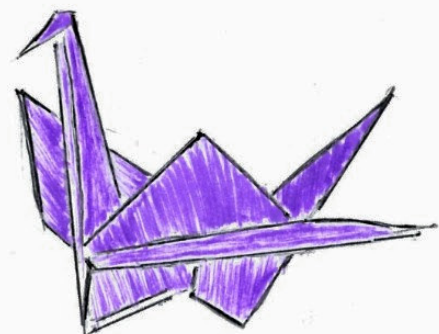

The spirit of "Omotenashi" - Japan's warm hospitality and the mutual learning, culture exchange are core message we would like to convey through this occasion.
